

STATE LEVEL TRAINING WORKSHOP ON

# GREEN SCHOOLS PROGRAMME

For District Educators of Punjab under

ENVIRONMENT EDUCATION PROGRAMME

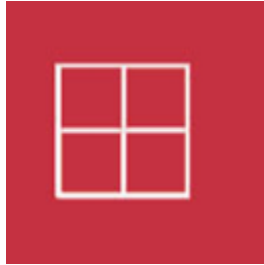

JULY 17-19, 2024

**Green Schools Programme**

**Audit Parameters and Portal**

# Audit Analysis Parameters

Window to Floor ratio

Vehicles: ownership, age, fitness, fuel

Use of sustainable and non-motorised modes

Energy consumption per capita

All sources of energy

Renewable sources of energy

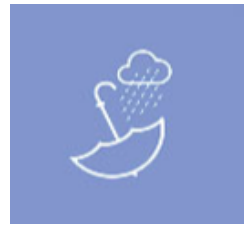

# Audit Analysis Parameters

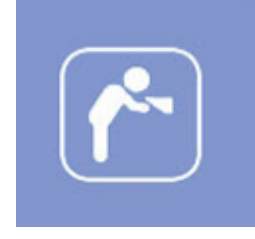

Per capita water consumption

Sources of water

Water conservation & rainwater harvesting

Load on taps and toilets

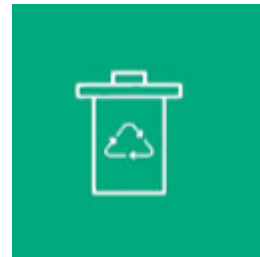

Reusing wastewater

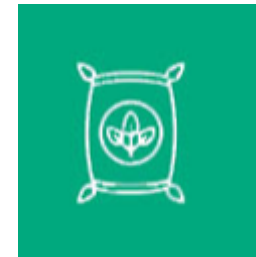

Segregation of solid waste

Per capita waste generation

Management of different stream of waste

Composting wet waste

Burning of waste

# Audit Analysis Parameters

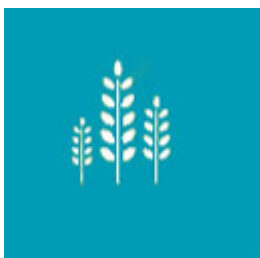

Mid-day meals

Food sold at school

Food promoted at events

Green cover

All sources of energy

Use of pesticides

# What is a green school?

- Window Floor Ratio (WFR) more than 5 per cent
- Majority population uses sustainable or non-polluting mode of transport
- Maximum use of energy efficient lighting and alternative sources of energy. Minimising conventional lighting without compromising sufficient lighting for students
- High green cover inside and around school campus -- native species
- Cooked meals (or avoid packaged foods that are high in Fats, Sugar and Salt)
- Harvesting of rainwater through rainwater harvesting (RWH) systems and reuse of treated wastewater.
- Segregation of waste at source efficiently and responsible disposal
- Recycling at least 90 per cent of the waste
- Wet waste to be composted
- Waste not to be burned

# GSP Annual Awards Ceremony

# Felicitating the Schools

- **GSP Changemakers**: Orange to green and yellow to green
- **GSP Sterling schools**: Rated green 5 or more consecutive years in a row
- **Best in each section**: Air, Energy, Food, Land, Water, Waste
- **Best Newcomer**
- **GSP Ambassadors**
- **GSP Best state & district**

# GSP Audit Demo

## PLEASE LOG IN

The [Green Schools Programme](#) audit is only open to registered schools. If you have already registered, please log in using your registered email id and password you would have received via email.

If you would like to register, please visit our [registration page](#).
